(Community Sport)
**Teaching & Learning Fair Presentation**
**Abstract 2017-126**

Friday, June 2, 2017
10:15 AM
Room: Sopris

This presentation focuses on venue and risk management. Students are required to interview a facility manager to learn of emergency action plans, training of personnel, and risk management practices. Students are required to conduct an inspection of the facility. Handouts of the project details and grading rubric will be available.
