Teaching & Learning Fair - Cooperative/Collaborative Small Group Learning (College Sport)
Teaching & Learning Fair Presentation
Abstract 2017-222

Friday, June 2, 2017
1:50 PM
Room: Sopris

Collaborative group work in this sport governance and policy course allows students to better interpret policies of sport governing bodies while identifying and applying different normative ethical frameworks. This lesson encourages student research, exposure to new material, and inclusion of different perspectives.
