Teaching & Learning Fair - Career Preparedness/Internships (Other)
Teaching & Learning Fair Presentation
Abstract 2017-227
Friday, June 2, 2017
1:50 PM
Room: Sopris

This presentation provides an internship assessment tool to measure student learning and experiences at internship sites. With the assessment tool, students’ experiences in the internship program are able to be documented and assessed to maintain and improve the quality of a sport management program for its long term success.
