Teaching & Learning Fair - Experiential/Service Learning (Other) Saturday, June 3, 2017 9:40 AM
Teaching & Learning Fair Presentation Room: Sopris
Abstract 2017-299

The sport management graduate student industry field trip is designed to encourage students to learn professionally, network, and gain insight into working in sport management. This presentation will discuss the evaluation of student experiences and learning outcomes related to the annual trip and provide recommendations for faculty in other disciplines.
