Blended Learning: Transforming Curriculum from the Classroom to Online

Leeann M. Lower, Ball State University
Daniel Jones, Ball State University

Teaching & Learning Fair - Online Learning (Community Sport)  Saturday, June 3, 2017
Teaching & Learning Fair Presentation  9:40 AM
Abstract 2017-311  Room: Sopris

With the advancement of technology in higher education, there is a shift away from the more antiquated traditional classroom. This presentation demonstrates a transformation of classroom-based curriculum into a blended format. Implications include curriculum development, integration of innovative technology, and pedagogical strategies. Content reflecting the demonstrated blended format is available.
