Integrating National and International Environmental Sustainability Reporting Standards into Assignments

Brian P. McCullough, Seattle University

Teaching & Learning Fair - Experiential/Service Learning (Other)  Saturday, June 3, 2017
Teaching & Learning Fair Presentation  9:40 AM
Abstract 2017-312  Room: Sopris

There is an increased need to use national and international standards of environmental reporting (Global Reporting Initiative, Council for Responsible Sport) for sport organizations and events. In this presentation, assignment templates and corresponding rubrics will be shared with anyone interested in more fully integrating environmental sustainability into assignments or classes.
