Increasing Student Engagement by Embedding Multiple Technologies in the Online Class and Program

Scott Smith, Ohio University
Aaron Wright, Ohio University

Teaching & Learning Fair - Online Learning (Online Community) Saturday, June 3, 2017
Teaching & Learning Fair Presentation 9:40 AM
Abstract 2017-313 Room: Sopris

One challenge facing online program administrators and instructors is increased student engagement, crucial to the success of students and programs in the online environment. This presentation demonstrates the use of a variety of technology tools & applications within the online learning environment and how they are embedded within the program.
