Law Case Analysis, Experiential Learning, & Application of Course Material

Susan Foster, Saint Leo University

Teaching & Learning Fair - Case Studies (Other) Saturday, June 9, 2018
Teaching & Learning Fair Presentation 9:20 AM
Abstract 2018-314 Room: Halifax

Case studies are often used in sport management research and teaching methodology (Hoeber, 2017; Nová, 2015). This presentation uses law cases where students present actual facts of a case and, through a developed experiential learning process, students utilize course material learned to decide defenses used, questions of law, and case outcome.
