Teaching & Learning Fair - Cooperative/Collaborative Small Group Learning (School Sport)
Teaching & Learning Fair Presentation
Abstract 2019-063
Thursday, May 30, 2019
2:35 PM
Room: Borgne

The purpose of this presentation is to offer practical skills for addressing, deescalating, and resolving conflict in the field of sports management. High emotion and reason cannot function in the brain at the same time, and practical skills for resolving conflict are needed in the field of sports management.
