Career Exploration Through the Use of an Odyssey Planning and Prototyping Activity

Emily Plunkett, University of Florida
Michael Sagas (Advisor), University of Florida

Teaching & Learning Fair - Career Preparedness/Internships (Other)  Friday, May 31, 2019
Teaching & Learning Fair Presentation  2:10 PM
Abstract 2019-201  Room: Borgne

This presentation features the use of five-year career plans for facilitating career exploration prior to graduation. Utilizing the Odyssey Planning design thinking framework (Burnett & Evans, 2016), students “prototype” each plan during the semester through informational interviews, job shadowing and online occupational resources. The framework and assignment will be provided.
