Teaching & Learning Fair - Experiential/Service Learning (Other)  Saturday, June 1, 2019
Teaching & Learning Fair Presentation  9:20 AM
Abstract 2019-301  Room: Borgne

We provide various examples of academic assignments that are created to showcase a student’s mastery of course concepts and analysis from environmental sustainability focused course set through experiential learning opportunities. We share the value of the resulting ‘academic products’ that students produce to demonstrate their mastery of the course concepts.
