Developing Self-Directed Learners in Sports Management Courses

Brenda Plympton, Auburn University

Teaching & Learning Fair - Other (Other)  
Teaching & Learning Fair Presentation  
Abstract 2019-305  
Saturday, June 1, 2019  
9:20 AM  
Room: Borgne

The purpose of this presentation will be to help participants discover what self-directed learning is and to highlight the benefits of fostering it in sports management courses. Strategies for developing a course that encourages self-directed learning, best practices, and benefits will be made available to participants in a handout.
